Hey, oh  
Hey yeah  
Hey baby, hey baby

The phone is ringing  
And I'm running late  
I've no time to get it  
'Coz I'm expecting you at eight

Heard your voice on the message  
I'm surprised you called  
Said you're all tied up  
And you ain't comin' at all

If you're not gonna love me right  
Baby don't love me at all  
You're just gonna make me crazy  
If you're not gonna love me right  
Baby don't love me at all  
If you're not gonna love me right, oh

(Baby don't love, baby don't love me)  
At all  
(Baby don't love, baby don't love me)  
At all

Another box of roses outside on my porch  
Twelve long excuses none of them stop the hurt  
Where's this going, do you really care?  
Is this real love, I don't know anymore I swear

If you're not gonna love me right  
Baby don't love me at all  
Baby don't make me crazy  
If you're not gonna love me right  
Baby don't love me at all  
If you're not gonna love me right, yeah

(Baby don't love, baby don't love me)

Oh baby  
(Baby don't love, baby don't love me)  
I really want you, oh baby

(Baby don't love, baby don't love me)  
If you're not gonna love me right  
(Baby don't love, baby don't love me)  
Baby just make me crazy

Baby, I want you here  
If you're not here it makes me feel like  
I can't trust you  
You make me crazy if you really love me  
You see

Oh, I get confused when you hold me next to you  
I wanna go further, oh baby yes I do  
I just can't hold on to something that won't last  
So we'd better slow down, and maybe not go so fast  
Maybe not go so fast

If you're not gonna love me right  
Baby don't love me at all  
You're just gonna make me crazy  
(If you're not gonna love me right)  
If you're not gonna love me  
Baby don't love me, baby don't love me, baby don't  
love me  
If you're not gonna love me right

If you're not gonna love me right  
Baby, don't love me at all  
You're just gonna make me crazy  
If you're not gonna love me right  
Baby, don't love me at all  
You're just gonna make me crazy

(Baby don't love, baby don't love me)  
Baby don't love, baby don't love me  
(Baby don't love, baby don't love me)  
Baby don't love, baby don't love me

(Baby don't love, baby don't love me)  
Baby don't love, baby don't love me  
(Baby don't love, baby don't love me)  
If you're not gonna do it right

(Baby don't love, baby don't love me)  
If you're not gonna do it right  
(Baby don't love, baby don't love me)  
If you're not gonna do it right

(Baby don't love, baby don't love me)  
Baby don't love, baby don't love me (Baby don't love,  
baby don't love me) Baby don't love, baby don't love,  
baby don't love me
