Get the message
Oh, it's never too late
Get the message
Oh, it's never too late

It's never too late
To try and reach for your desires
Even when your luck is down
You still got chances of turning around
Get the message
Oh, it's never too late

Get the message
Oh, it's never too late
Get the message
Oh, it's never too late

It's never too late
To hold the power in your hands (power in your hands)
You will find a good, good feeling
Makin' new plans and starting again
It's never too late
No, it's never too late
No, it's never too late No, no, no, no

No, it's never too late
No, it's never too late
No, it's never too late
It's never too late

Time keeps changin' everything
Sometimes tearin' down
The treasures that it brings
Ever strong
You'll make it through
The secret lies in knowing
That it's up to you
Say it with me now

Get the message
Oh, it's never too late
Get the message
Oh, it's never too late

We got the time
There's no doubt in my mind
That it's never too late

Get the message
Oh, it's never too late
Get the message
Oh, it's never too late Get the message Oh, it's never
too late
