Mirror, mirror  
On the wall  
You said you had the answers to it all  
You never told me I'd take a fall

Mirror, mirror  
On the wall

You, you turned my life  
Into a paperback novel  
Words that come to life  
Inside your little melodrama

Chapter one  
When I was young  
I came to you with my problems  
Chapter two  
You promised me love  
And anything that I desired

Tell me mirror, mirror on the wall  
'Thought you said you had the answers to it all  
Never told me I was gonna take a fall  
Tell me mirror, mirror on the wall

You have nailed my heart  
Upon the wall for your pleasures  
You have cast a spell  
That cannot ever be broken

And now  
My eyes grow tired  
I watch my picture getting older  
But I  
Remain the same  
Trapped in this mirror forever

Tell me mirror, mirror on the wall  
'Thought you said you had the answers to it all

You never told me I was gonna take a fall  
Tell me mirror, mirror on the wall

I talk to you each night  
And I follow your advise  
You've been wrong  
What's the price I have to pay  
For this fairy tale thing called love?  
Let me go!

Tell me mirror, mirror on the wall  
'Thought you said you had the answers to it all  
Never told me I was gonna take a fall  
Tell me mirror, mirror on the wall

Tell me mirror, mirror on the wall  
'Thought you said you had the answers to it all  
Never told me I was gonna take a fall  
Tell me mirror, mirror on the wall

Let me go  
Mirror, mirror  
Mirror, mirror  
Mirror, mirror  
Mirror, mirror

Tell me mirror, mirror on the wall  
'Thought you said you had the answers to it all  
Never told me I was gonna take a fall  
Tell me mirror, mirror on the wall

Tell me mirror  
Tell me mirror  
Tell me mirror  
Tell me mirror
