(B. Gordy, Jr./J. Bradford)

The best things in life are free
But you can give them to the birds and bees
I need money
That's what I want
That's what I want, yeah
That's what I want

Your love gives me a thrill
But your love can't pay my bill
I need money
That's what I want
That's what I want, yeah
That's what I want

Money
Lots of money
Whole lot of money
Lots of money
That's what I want, yeah
That's what I want

Money don't get everything it's true
What it don't get, I can't use
I need money
That's what I want
That's what I want, yeah
That's what I want
That's what I want, yeah
That's what I want

Money, money
Is what I want
A whole lot of lean green
That's what I want
Give me money, money
Is what I want
That's what I want, well
Now give me money
ow, money

Wow, yeah, you need money
now, give me money
That's what I want, yeah That's what I want, yeah
