(G. Wright/K. Patterson)

You know that I
I'm the restless kind
Seems like I'm always chasing time
But when I go I know you'll miss me so
Even though I just can't help myself
Maybe you need someone else
To spend more time to ease your mind

But never say I don't love you, I do
Never say I don't love you
'Cause I do
Though I've got to be free
Never worry about me
'Cause I love you

You see I've got the journey
And it's got me burning
To do the things I've never tried

But what you give to me
Is more than you'll ever see
'Cause when I leave your side
Your love goes with me
Never measure love by time
Let the doubt ones leave your mind
Everything is fine

And never say I don't love you, I do
Never say I don't love you
'Cause I do
Though I've got to be free
Never worry about me
'Cause I love you, I do

Never say I don't love, I do
Never say I don't love you
'Cause I do
Though I've got to be free
Never worry about me

'Cause I love you, I do

Never say I don't love you

I love you Never say I don't love you 'Cause I do
