(Stevie Wonder)

You make me smile  
You make me say  
You make me feel good every day  
You bring me up  
When I've been down  
This only happens when you're around

And I can't go on this way  
Feel it stronger every day  
But being too shy to say  
That I really love you

I wanna fly  
Away with you  
Until there's nothing more for us to do

I wanna be  
More than a friend  
Until the end of an endless end

And I can't go on this way  
Feel it stronger every day  
But being too shy to say  
That I really love you

And I can't go on this way  
Feel it stronger every day  
But being too shy to say  
That I really love you I do
