(F. Bernard/D. Smith)

Over the ground lies a mantle of white
A heaven of diamonds shine down through the night
Two hearts are thrillin'
In spite of the chill in the weather, ooh the weather
Love knows no season, love knows no clime
Romance can blossom any old time
Here in the open
We're walkin' and hopin' together
Together, together, together

Sleigh bells ring, are you list'nin?
In the lane, snow is glist'nin'
A beautiful sight, we're happy tonight
Walkin' in a winter wonderland

Gone away is the blue bird
Here to stay is a new bird
He sings a love song, as we go along
Walkin' in a winter wonderland

In the meadow we can built a snowman
Then pretend that he is Parson Brown
He'll say "are you married?"
We'll say "no man!"
But you can do the job when you're in town"
Later on we'll conspire, as we dream by the fire
To face unafraid, the plans that we've made
Walkin' in a winter wonderland

Walkin' in a winter wonderland
Walkin' in a winter wonderland

In the meadow we can built a snowman
And pretend that he's a circus clown
We'll have lots of fun with Mister Snowman
Until the other kiddies knock him down
When it snows ain't it thrillin'
Tho' your nose gets a chillin'
We'll frolic and play, the eskimo way

Walkin' in a winter wonderland Walkin' in a winter
wonderland
