(R. Kelly)

Another day has gone
I'm still all alone
How could this be
You're not here with me

You never said goodbye
Someone tell me why
Did you have to go
And leave my world so cold

Everyday I sit and ask myself
How did love slip away
Something whispers in my ear and says

That you are not alone
For I am here with you
Though you're far away
I am here to stay
For you are not alone
I am here with you
Though we're far apart
You're always in my heart
For you are not alone, alone, why

Just the other night
I thought I heard you cry
Asking me to come
And hold you in my arms

I can hear your prayers
Your burdens I will bear
But first I need your hand
Then forever can begin

Everyday I sit and ask myself
How did love slip away
Something whispers in my ear and says

You are not alone

For I am here with you
Though you're far away
I am here to stay
For you are not alone
I am here with you
Though we're far apart
You're always in my heart

For you are not alone

Whisper three words then I'll come running
And boy you know that I'll be there
I'll be there

You are not alone
For I am here with you
Though you're far away
I am here to stay
For you are not alone
I am here with you
Though we're far apart
You're always in my heart

You are not alone
I am here with you
Though we're far away
I am here to stay
You are not alone
I am here with you
Though we're far apart
You're always in my heart For you are not alone You are
not alone...
