In my head  
I am already gone  
Side roads boarded up  
Decisions decided on

But in my nights  
There are restless hours  
3 AM goes down  
Nothing else comes up

And the only thing we know  
Is it's getting dark and we better go  
And the only thing we say  
Are the despairs of the day

And if you're too tired  
Go to sleep, my brothers, I  
And if you're too tired  
Go to sleep, my brothers  
I'm alright to drive

And in my heart  
I'm the weary kind  
I'm much too tired to cry  
Though it's sad enough for tears  
It's been try fail try for years  
When the next year comes along  
I don't know if I'll be home  
I don't know if we'll survive

And the only thing we know  
Is it's getting dark and we better go  
And the only thing we say  
Are the despairs of the day

And if you're too tired  
Go to sleep, my brothers, I  
And if you're too tired  
Go to sleep, my brothers  
I'm alright to drive

And we're much too young of men

To carry such heavy heads  
And tonight for the first time  
It felt good to be alive  
And we're much too young of men  
To carry such heavy heads  
And tonight for the first time  
It felt good to be alive again, my friend

The only thing we know  
Is it's getting dark and we better go  
And the only thing we say  
Are the despairs of the day

And if you're too tired  
Go to sleep, my brothers, I  
And if you're too tired  
Go to sleep, my brothers, I  
And if you're too tired  
Go to sleep, my brothers, I  
And if you're too tired  
Go to sleep, my brothers  
I'm alright to drive
