And how much time do you think that we have?  
If I wanted to, I could start over again  
Let the good night decide who she wants me to find  
And I'll never let you drop another tear in my eye

Singing oh sha-la-la, oh sha-la-la  
Listen honey here comes my man  
Singing oh sha-la-la, oh sha-la-la  
Listen honey here comes my man

Yeah

And all my life I never had a chance  
Don't you think I knew about all your pretty girlfriends  
But I waited for you, gave you time to decide  
But you never saw it from anybody else's side  
So I packed up my things and I faced up my doubts  
You know I think I will grow my hair back out  
Nevermind what you think  
Nevermind what you like  
I'll take it out to the streets for somebody else to  
admire

Singing oh sha-la-la, oh sha-la-la  
Listen honey here comes my man  
Singing oh sha-la-la, oh sha-la-la  
Listen honey here comes my man

Maybe time will tell you  
Why I got so much hell to sell you  
Please, please understand me  
Oh you can't just dance around me  
Maybe your work will love you  
When I'm just not there to hold you  
Maybe your pride can be your companion  
Oh but I just won't be there to stand for it  
Not one more minute will I stand for it

Oh-oh

You found me singing, baby

Oh sha-la-la, oh sha-la-la  
Listen honey here comes my man  
Singing oh sha-la-la, oh sha-la-la  
Listen honey here comes my man  
Singing oh sha-la-la, oh sha-la-la  
Listen honey here comes my man  
Singing oh sha-la-la, oh sha-la-la  
Listen honey here comes my man  
Here comes my man  
Here comes my man  
Here comes my man  
Here comes my man  
Here comes my man
