(Verse)

What makes a man do the things  
A man does to be  
The very thing he but sees  
Capture your heart,  
Capture your heart.

(Chorus)

What does it feel like inside?  
Does it hurt you at night?  
Or does it keep you alive, set you on fire, fire.  
I would give anything for the touch of your skin  
Yes, I would burn here for years on desire, desire.

(Verse)

What makes a woman believe  
In a man such as me  
On what innocent to fool your crown,  
I will always let you down,  
I will always let you down.

(Chorus)

What would it feel like inside?  
Would it hurt you at night?  
Or would it keep you alive, set you on fire, fire.  
I would give anything for the touch of your skin  
Yes, I would burn here for years on desire, desire.

(Bridge)

Some men spend their lives  
Chasing the articulates of pride  
It just never crossed my mind  
You were always on my mind.

(Chorus)

What does it feel like inside?  
Does it hurt you at night?  
Or does it keep you alive, set you on fire, fire.  
I would give anything for the touch of your skin  
Yes, I would burn here for years on desire, desire.  
I would burn here for years, I would burn here for

years.
