[JD]

This year is a remarkable, So So Def remix
JE y'all, Run DMC, to the beat y'all uh
Ah-hah, ah-hah, and me
Y'all know my name, come on

[JE]

See, first of all
I know these so-called playas wouldn't tell you this
But I'mma be real and say what's on my heart
Let's take this chance and make this love feel relevant
Didn't you know I loved you from the start, yeah

When I think about
All the years we've put in this relationship
Who knew we'd make it this far?
Then I think about
Where would I be if we were to just fall apart
And I can't stand the thought of losing you

1 - Meet me at the altar in your white dress
We ain't getting no younger, we might as well do it
Been feeling you all the while girl, I must confess
Girl let's just get married
I just wanna get married

Meet me at the altar in your white dress
We ain't getting no younger, we might as well do it
Been feeling you all the while girl I must confess
Let's get married

Said I done it all
But frankly girl, I'm tired of this emptiness
I wanna come home to you and only you
Cause making love to just anyone ain't happening
I just gotta be with you

Do you think about
Us finishing something we started so long ago
I wanna give you my all
Do you think about maybe us having some babies

Come on won't you be my lady forever, yeah

[Run of Run DMC]

What's going on across the sea

It ain't nothing, I ain't frontin'

Shorty come here with me

Now I done already gave you the keys to the range

And your last name's about to change

Now your Mrs. Simmons got a better livin'

With a different Reverend name

Used to be the snake type, hanging out late night

Girl you done made me change my life

Ever since you met me, keys to the Bentley

Now they call you the Preacher's Wife

I'mma the type of guy that'll take you out and buy that

Ring with the rock that'll break your arm

Playas won't try that, now you can't deny that

Get with Reverend to double O dot com (?)

Repeat 1 until end
