[Intro: Remedy]

Ah, Rem-D (uh-huh, uh-huh)  
20-02, (yeah, yeah), comin' for you  
One, two, one, two, suckas, lil' fuckas  
You know it, nothin' man, for nothin' man, he's back

[Chorus: Remedy]

Here we comin', best start runnin'  
Cuz we're gunnin' for the number one  
Position, better listen  
If you don't you just might end up missin'  
Suckas, muthafuckas, all this actin' their rappin'  
All this lyin', all this stealin'  
All this robbin' and these dealings  
Go see the deacon, see you in the street and  
Catch a beatin', watch your head start leakin'  
Action, more than a fraction  
Bet when we touchdown, yo, you know we're packin'  
Greet you, nice to meet you  
Then we beat you as we slowly defeat you  
See ya, nice to know ya  
Overthrow ya, then that's it, Game Over

[Remedy]

20-02, let me Remedy you  
And show y'all muthafuckas what y'all supposed to do  
You can bounce to this, smoke an ounce to this  
Strip butt naked, run around the house to this  
It's the R to the E-M, raise ya fist  
Wit the E-D-Y, gorilla in the mist  
And I came wit three guns, for me and my two sons  
If you don't show face, I'mma take ya place  
Nothin' seems real, that's just how I feel  
And I treat every deal like that's my last meal  
Free sticks and zynecs and watch me dance  
Wanna fuck wit the devil, come take your chance  
The dope in this, great white hope in this  
Soloist, vocalist, dolo-ist, mobilist, long pull mogulist  
Rage of full chauvinist, who the Wu specialist?  
Six million megabits, lyrical perfectionist

[Chorus]

[Outro: Remedy]

Rem-D, 20-02

Uh, 20-02, let me Remedy you

You know?
