[Intro: Remedy]

Feel this,

To all those races, colors, and creeds, every man
bleeds for the
countless victims and all their families of
the murdered, tortured and slaved, raped, robbed and
persecuted
Never Again, To the men, women, and children.
Who died in their struggle to survive, never to be
forgotten.

Reuven Ben Menachum, yo..

[Remedy]

Yo my own blood, dragged through the mud
Perished in my heart still cherished and loved
Stripped of our pride, everything we lived for
Families cried, there's no where to run to, no where to
hide
Tossed to the side, Access denied
6 million died for what? Yo a man shot dead in his back
Helpless women and children under constant attack
For no reason, till the next season, and we still
bleeding
Yo it's freezing, And men burn in hell, some for
squeezing
No hope for a remedy, nothing to believe
Moving targets who walk with the star in their sleeve
Forever marked wit a number, tattooed to your body
Late night, eyes closed, clutched to my shotty
Having visions, flashes of death camps and prisons, no
provisions
Deceived by the devils decisions, forced into a slave
Death before dishonour for those men who were brave
Shot and sent to their grave, can't awaken, it's too late
Everything's been taken, I'm shaken, family, history,
the making

[Chorus: Remedy w/ man praying in Hebrew]
Never again shall we march like sheep to the slaughter
Never again shall we sit and take orders
Stripped of our culture, robbed of our name
Raped of our freedom and thrown into the flames
Forced from our families, taken from our homes
Moved from our God then burned of our bones
Never again, never again, shall we march like sheep to
the slaughter
Leave our sons and daughters, stripped of our culture
Robbed of our name
Raped of our freedom and thrown into the flames
Forced from our families, taken from our homes
Moved from our God and everything we own

[Remedy]
Some fled through the rumors of wars
But most left were dead, few escaped to the shores
With just one loaf of bread, banished, hold in for
questioning
And vanished, Never to be seen again, I can't express
the pain
That was felt in the train to Auschwitz, tears poured
down like rain
Naked face to face, with the master race, Hatred blood
and David
My heart belongs to God and stay sacred
Rabbi's and priests, Disabled individuals
The poor, the scholars all labeled common criminals
Mass extermination, total annihilation
Shipped into the ghetto and prepared for liquidation
Tortured and starved, innocent experiments
Stripped down and carved up or gassed to death
The last hour, I smelled the flowers
Flashbacks of family then sent to the showers
Powerless undressed, women with babies clumped
tight to their chest
Crying, who would've guessed -- dying, another life
lost
Count the cost, another body gas burned and tossed in
the holocaust

[Chorus]

[Outro: Remedy]
Never Again, Never Again
The final solution is now retribution
Remedy, Wu-Tang..
