[piano version]

Strange vibe
circles round
Tries to comfort
buzzing sound
Form an arrow
point at us
We the target
are the one
Drop yourself
in the grass
Breathe the air
at last
Hold on tight
Don't fall down
Breathe the air
through the water
Form an arrow
point at us
We the target
are the one
Place your bet
on the best
The fastest horse
you can find
Drop yourself
in the grass
Breathe the air
at last
Hold on tight
Don't fall down
Breathe the air
through the water

The fastest source

Drop yourself

Form an arrow
point at us
Be the target
of the center
Find the key
lock the door
Close your eyes
for encore

Drop yourself
in the grass
Breathe the air
at last
Hold on tight
Don't you fall down
Breathe the air
through the water

Find your peace
turn in sight
You're the target
you're the center
Find the key
lock the door
Close your eyes
for encore

Drop yourself
in the grass
Breathe the air
at last
Hold on tight
Don't you fall down
Breathe the air
through the water
