Well, I don't know why it
Makes me cry when I
Think back on the
Things we done

And I don't know when I'll
Feel again
Like this might be
Worth my while

And I don't know how we
Came to be
So far away from
Where we were

And I don't know if I'll
Ever see just
What it is you went
Running for

I got some things to do
Need some time alone
Think we'll make it through
Baby, I don't know

Taken for granted, yes and
Misunderstood
If you're going to love me girl
Well, then you better love me good

Love me good

It was a night like this
When I first felt your kiss
And the line was drawn
To set our dreams upon

Was that line too high?
Or was our love a lie?
Or were the dreams we made
Just some old game you played?
Game you played

Well, it's hard to tell exactly
Why you fell, but just like
Dominoes, hit one, the
Whole thing goes

And it's a crying shame
But only you to blame
And what's the big idea
Of crawling back to me?

Got some things to do
Need some time alone
Think we'll make it through
Baby, I don't know

Taken for granted, yes and
Misunderstood
If you're going to love me girl
Well, then you better love me good

Well, I don't know why it
Makes me cry when I
Think back on all the
Things we done

And I don't know when I'll
Feel again
Like this might be
Worth my while

Love me, yeah, love me good
Love me, yeah, love me good
Alright
