WHO WE ARE

I said it, meant it, wouldn't ever change what I view.
You, make me want to fucking kill.
Hate driven to the point of death.
Now you're lying there like a bitch.
You couldn't decide what to say.
There's nothing else left to do, but let you accept your
fate!

(Pre-Chorus)

Want to finish what you started?
'Cause this is your fucking demise!
Mark my fucking words. . .

I should of, could of, wouldn't ever change what I view.
You, make me want to fucking hate.
Snakes driven to the point of defeat.
Now you whine to your friends like a bitch.
You couldn't even fuck with me.
Delete everything that you see, and let you deny your
fate!

(Pre-Chorus)

(Chorus)

(THIS IS WHO WE ARE!!)
The blood I've shed, the life I've led,
Has shaped me, has forced me to who I am!
(STRUGGLING!!) I'll fight till I'm dead!
Everything I've done now has led me to this!

PERSISTANCE!!!

No more looking back, I'm questioning humanity.
My mind is running searching for reality.
Can not look away I've made it this far,
We are forever eternally scarred!

(A BURIAL!!) Better breath mother fucker, better take it.
Want to see every sucker, want to fake it.

Got to see you take a bite from my broken hand!
(A BURIAL!!) Better see mother fucker, better face it.
Want to see every other, want to take it?
Want to see you take a bite from my broken hand!

(Chorus)

FEEL MY HATRED!!!
