I've called you thousands of time  
And you weren't home  
You knew I would be calling  
Yet you wanted me to feel alone  
I can't help but wonder  
If this love is reaching its end  
I've got to hang on baby  
Hang on until the end

Chorus:  
Answer my cry to love  
Love we know and love we feel  
Answer my cry to love  
Love I can't forget  
Answer my cry to love  
Show the love that you feel  
Answer my cry to love  
Answer my cry to love

You turn love into pain  
And I just couldn't let go  
You are so heartless baby  
How could you let it go

Chorus

I don't want to be alone  
It doesn't feel right  
Come back to love baby  
Come back tonight

Chorus
