I don't wanna cry this early this mornin'  
But cry I will if you go through with me, with me alone  
I don't wanna cry this early this mornin'  
So lay back down and love me and leave the leavin' till  
later on

I don't wanna think about tomorrow  
Lord knows, I got my hands full just worryin' about  
today  
If it's true that God sees every sparrow when it falls  
I hope He'll see me fallin' if you up and walk away

'Cause I don't wanna cry this early this mornin'  
But cry I will if you go through with me, with me alone  
I don't wanna cry this early this mornin'  
So lay back down and love me and leave the leavin' till  
later on

So lay back down and love me and leave the leavin' till  
later on  
I don't wanna cry
