Smooth talker

He thinks he'll be the one to walk her to his room

But for all of his schemin', he's only dreamin'

He might as well be gone

Because she's got her eyes on the dance floor

She's made up her mind

And the lady takes the cowboy every time

'Cause she's just dyin' to do the Texas 2-step

And she just can't wait to strut her stuff

Dancin' to the 'Cotton Eyed Joe'

So she'll come dancin' till the band stops playin'

At 2 in the mornin'

And still have time for one beer before she goes

Off with her 2-steppin' cowboy

She'll have time for one beer before they go

Tall and handsome

He thinks he'll probably land somewhere in her arms

tonight

Well, he thinks he's cool but she thinks he's a fool

He might as well turn and go

Because she's got her eyes on the dance floor

She's made up her mind

And the lady takes the cowboy every time

'Cause she's just dyin' to do the Texas 2-step

And she just can't wait to strut her stuff

Dancin' to the 'Cotton Eyed Joe'

So she'll come dancin' till the band stops playin'

At 2 in the mornin'

And still have time for one beer before she goes

Off with her 2-steppin' cowboy

She'll have time for one beer before she goes
