{\*laughter\*}

[Female Voice] I'm Jake Lefco! ("And you are?")

[Female Voice]

I like to curl up in the bottom - drawer of my parents' bureau

And take a nap, from time to time

[Jake Lefco]

Yo; come on in, everybody have a seat

Take a load off, put your stereo on repeat

Stereo on repeat, when I flow on the beat

It can go on for weeks - I'm dead serious

You don't wanna sleep when I speak on the P.A.

Seems like the beat, mic and me got a three-way

Fuck the he say, she say believe me

I get you high, and I'm safer than freebase

But watch what you say, take it ea-zy

You talk shit, then I spit - how your feet taste?

Live off freestyles and cheesesteaks

And still strong as King Kong on my weak days

This is more than somethin to sample

Shouts to Happ G, Brief, Snuffy and Scandal

I'm ill - I'm a peaceful man though

Too many rappers out now swearin they're Rambo

Call me soft but I don't really get it

Negativity can get to me but I don't really let it

Cause I'm way too busy gettin it on

Makin music for the white, black, rich and the poor

It is what it is, I do this for the kids

For your boy who didn't make it, for your cousin doin bids

Mostly for the love of doin this

Hope to motivate the knucklehead who wasn't doin shit

[Chorus]

I came too far to goof off; knock your socks and your shoes off

I'm Jake Lefco - and you are?

Too far to goof off; knock your socks and your shoes

off

I'm Jake Lefco - and you are?

[Jake Lefco]

It's been a minute since I addressed it, my love for my message

In essence my mic sessions are life lessons, I'm light headed

There - I said it, I want credit, just might get it

I'm Jake Lefco, the right medicine, nice with it

Day and night spit it, spend my life with it

I'm hype get it right y'all, like a pipe bomb

Sprayin songs like Lysol, your favorite writ-er

Squeeze mics with this python, called my right arm

Psych nah; not that strong - but the flows are

So far off the tip of my tongue they roll off

They don't fall short of that frequent thought

Gettin back to Marlboro shore in the mood for more

I use the Force and my boys to move the floor

For you and yours, whoever comes through the doors

Gettin touched by the lyricist's smooth rapport

It's like a new velour, come prove me wrong

[Chorus]

[Male Voice]

Hi, I'm Jake Lefco, welcome to my album, welcome to my world

[Another Voice]

Hiiiiiiii I'm Jake Lefco uhh

It's not really me rhyming on this album

Actually I have to, confess

I really don't, rhyme, I've never rhymed in my life

It's actually a, stunt double who's very talented

[Female Voice]

Hi, I'm Jake Lefco!

I like to rhyme about happy things

Like helping my grandma, and bicycles, and birthday parties

[Male Voice]

Hi this is Jake Lefco

Do you know what you're missing if you don't buy this album?

[Spanish Female]

Hola, me llamo Jake Lefco

[Female Voice]

I'm Jake, Lefco and I love fruit roll-ups  
And they're good for you they're FRUIT~!

[Male Voice]

Hi, I'm Jake Lefco

I used to be just like you, working a dead-end job

But then, I found out that I look like the Jewish Keanu

Reeves

And ever since then, it's been on
