Well, mic check, mic check  
Whoever he is - he's great, he's great  
Alright, you ready to rock and roll?

[Female Voice]  
Hi, I'm Jake Lefco  
And - last time I went to the dentist  
I had 17 cavities  
It all began with..

[Jake Lefco]  
When I was born, I didn't know what was goin on  
First cry, first yawn, first view of my mom  
When I was 1 I moved into the crib, that was big  
My own diapers, my own bib, and no rent (what?)  
Turned 2, learned who really wanted me there  
My big brother was 5, stickin gum in my hair (die  
freak!)  
When I was 3 I had a big gut and a big butt  
Waddled around the house like I'm big stuff, like yeah  
what?  
At 4 I guess I saw my belly bigger than it was  
Grubbin on ps'sketti, threw it up into the tub  
5 I went to daycare, didn't want to stay there  
But mom dragged me, kickin and screamin like a  
caveman  
6 I got sick, chicken pox and shit  
Temperature 106, I coulda died from it  
Lucky 7 got a swingset, it pays to beg  
I'm like "Look dad, no hands!" Broke my leg (AHH!)

[Chorus]  
I wonder how my wonder years made me who I am  
today  
Wonder how they set the stage, feels like it was  
yesterday  
Back when I was unaware, Superman underwear  
Just a little peak what I remember for my wonder years

[Jake Lefco]  
When I was 8 years old I got a hold on things

At recess I jumped the furthest off the playground  
swing  
When I was 9 I used to creep, sneakin Flintstone  
vitamins  
I liked 'em, I almost overdosed, it was frightenin  
At age 10 I pissed my pants in the lunchline  
Check the first verse of "Life Goes On" for the  
punchline  
At age 11 had a killer collection  
Thundercats, Transformers, G.I. Joes and weapons  
(I'll trade you Sergeant Slaughter!)  
When I was 12 I ran ball in the Friday night league  
Tried to show off so little girls would like me (hi,  
heeheehee)  
At 13 a little punk causin problems  
Thought I was the shit, quotin "Straight Outta Compton"  
(Gangsta, gangsta!) When I was 14 I grew hair on my  
johnson  
Suddenly my mission for the booty was constant~!

[Chorus]

[Jake Lefco]

When I was 15 I got a 40 of Olde E  
Got my first taste of ash rollin a stogie  
When I was 16 I got a job at a golf course  
Drove around a golf cart, that was the hard part  
At 17 I got a piece of the action  
It lasted, close to 2 minutes of passion (that's it?)  
When I was 18 I graduated from school  
Got accepted into college, packed my things and  
moved  
At 19 a homesick, fresh fish on campus  
Entered art school to put my grief on canvas  
20 years old, took a plane to Spain  
{?} went from train to train  
When I was 21 recordin rhymes shifted my attention  
Thank the Lord for "The Crop Report" and 40th  
Dimension

[Chorus] - repeat 2X

[Outro]

Yooo, Jake Lefco here dude  
Yo, it's totally far out that you muh'fuckers bought my  
shit!  
You know I really appreciate it dude  
Honestly, the last three albums I sold  
I'm smokin the bread right now  
So dude, far out man!!

Is this still on?  
Fuck dude, I'm fuckin baked!
