(This one goes out to the one I love)

I took a ride on a fairy tale road
I lost my heart there once now I want it back
I want it back
I thought that love isnt cool and I...
Now I am the fool cause its not like that
Now I feel regret

But, Im not gonna tell you what I want
Im not gonna show it to you
Find in me baby
Oh no no
Find in me baby
Oh no no
Im not gonna show you what I need
Im not gonna give that to you

Find in me baby, oh no no
Find in me baby
You got to find in my heart, find in my heart
Find in me baby, oh no no
Find in me baby, oh no no
Find in my heart
Find in my heart
Find in me baby, oh no no
Find in me baby, oh no no

Theres higher love on the one way
Theres more than that on the other
Should I decide
Could I decide
You never know what I want so
Takes all my spirit to turn on the cuddle light
Ill turn on the cuddle light
But, Im not gonna tell you what I want
Im not gonna show it to you
