1993 X-mas single)

Like an angel, fly over your house

Like an angel, pass out wishes

Like an angel, I will move the arrow

Like an angel, I live alone

I'm not livin' what was promised

I am close but can't enjoy

Oh, I'm not dyin'

Oh, I'm so tortured, 'cause I see all

Tortured, and all I cannot do

Tortured, all I should have done

Tortured, while I occupied a man

I'm not livin' what was promised

I am far from glorified

Oh, I'm not dyin'

Oh, I'm not alone

Mine is not a celestial state with idle hymns of praise

Time is short, I have an appointment at noon, at noon in Hell

Across the waste of space and fields of air I glide,
alone at night

Oh please, please think of me, 'cause I'm, I'm by your

side

I'm by your side, I'm by your side, oh...

I'm...I'm right in front of you...I'm by your side
