Bee girl, you're gonna die

You don't wanna be famous, you wanna be shy

Do your dances alone in your room

Becoming a star will become your doom

Bee Girl, be a girl... (2x)

You know time is long, and life is short, begin to live
while you still can

Believe in nothing, believe me, those who can be
trusted can change their mind

The anxious is the present, unwrap your gifts, take your
time

Everything you imagined, needn't be stuck in your
mind

Bee Girl, be a girl (2x
