Hey ooh

Sheets of empty canvas untouched sheets of clay yeah

Laid spread out before me as her body once did yeah

All five horizons revolved around her soul

As the earth to the sun yeah

Now the air I tasted and breathed has taken a turn

Ooh and all I taught her was everything that's all

Ooh I know she gave me all that she wore yea

And now my bitter hands chafe beneath the clouds

Of what was everything

Oh the pictures have all been washed in black tattooed
everything

I take a walk outside

I'm surrounded by some kids at play ooh

Oh I can feel their laughter oh so why do I sear

Ooh and twisted thoughts that spin round my head

I'm spinning oh I'm spinning

How quick the sun can drop away

And now my bitter hands cradle broken glass

Of what was everything

All the pictures have all been washed in black tattooed
everything

All the love gone bad turned my world to black

Tattooed all I see all that I am all I'll be yeah

Uh huh yea uh huh ooh

I know someday you'll have a beautiful life I know you'll
be a star

In somebody else's sky but why

Why why can't it be a-can't it be mine yea

Oh oh

Oh yea yea oh

Do do do do do do do do (x20 total)

Yeaaa oh

I don't I don't think

These people understand

Oh they don't understand oh no one understands

We belong together together together oh oh ah ah oh

How how how oh how how na na na na yea yeaa ooh
