Eddie Vedder with The Doors)

Day destroys the night...night divides the day...

Tried to run, tried to hide...

Break on through to the other side... (3x)

Yeah...

We chased our troubles there, dug our treasures there...

Can you still recall the time we cried?

Break on through to the other side... (2x)

Yeah...

Dead cat, a dead rat

Did you see where they were at?

Dead cat, doll path

Did you see where they were at?

Everybody loves my baby...everybody does my baby...

She gets... (4x)

Hot...ahh, yeah...

Found an island in your arms...country in your eyes...

Arms that train us, arms that lie...

Break on through to the other side... (2x)

Break on...yeah...

Wait to see...week to week...day to day...hour to hour...

Pain is great, deep and wide...

Break on through to the other side... (2x)

Break on through... (4x)

Yeah... (9x)
