Be happy with what you got

You should be hard to be a brother

You should be happy with what we can do...

Oooh...hand over my face

I am related to my enemy...

Oooh...my house on fire

And my big brother come put the blame on me, yeah...

Oh, he's a pushin'

I'm being pushed from above

Oh, and a brother

Back to back back, better back off of him

You should not question at all his authority...

Oooh...use a flag as a bandaid

A-Stick 'em up, show us your pocket hypocrisy, yeah...

Oooh, in the closet, my pleasures

'Cause my big brother don't want to just let me be

Oh...oh, and I'm pushin'

Or if I could get above

Oh, and a brother

Back to back back, a-keep your back off...

Oh, and I'm pushin'

I'm being pushed from above

Oh, and a brother

Back to back a-back, a-better back off of him...

Yeah yeah yeah...oh...

Face down...brother...

Face down...yeah yeah yeah yeah...

Face down...yeah... (2x)

Oh...ooh...ah...

In my mind there's a clearing

Black clouds flow through grey still skies

And the birds don't even whisper...yeah...

I'm flying out...mmm...I'm flying...

Whoa...

Oh, back to back back, a-better back off

Back to back a-back, a better, better, better...

Back to back a-back, back a-back back...brother...

Face down...brother...

Face down...yeah yeah yeah a-yeah...

Face down...brother...oh...

Face down...almost...fired...

Face down...whoa...I got a gun...

Face down...

I got a gun... (2x)

Face down...I got a gun...

Whoa...face down...

Aah, fuck it, I'm just gonna go home, turn on the fuckin'  
TV...

...and watch the nightly news and drink a beer...

...like I could even change the world, yeah right
