All these...

I got bugs

I got bugs in my room

Bugs in my bed

Bugs in my ears

Their eggs in my head

Bugs in my pockets

Bugs in my shoes

Bugs in the way I feel about you

Bugs on my window

Trying to get in

They don't go nowhere

Waiting waiting...

Bugs on my ceiling

Crowded the floor

Standing sitting kneeling...

A few block the door

And now the question's:

Do I kill them?

Become their friend?

Do I eat them?

Raw or well done?
Do I trick them?
I don't think they're that dumb
Do I join them?
Looks like that's the one
I got bugs on my skin
Tickle my nausea
I let it happen again
They're always takin' over
I see they surround me, I see...
See them deciding my fate
Oh, that which was once...was once up to me...
Now it's too late
I got bugs in my room...one on one
That's when I had a chance
I'll just stop now
I'll become naked
And with the...I'll become one
