The waiting drove me mad
You're finally here and I'm a mess
I take your entrance back
Can't let you roam inside my head
I don't want to take what you can give
I would rather starve than eat your bread
I would rather run but I can't walk
Guess I'll lie alone just like before
I'll take the firmest path
Oh, and I must refuse your test
A-push me and I will resist
This behavior's not unique
I don't want to hear from those who know
They can buy, but can't put on my clothes
I don't want to limp for them to walk
Never would have known of me before
I don't want to be held in your debt
And I'll pay it off in blood, let I be wed
And I'm already cut up and half dead
I'll end up alone like I began
Everything has changed...

Absolutely nothing's changed...

Take my hand, not my picture, spilled my tincture

I don't want to take what you can give

I would rather starve than eat your breast

All the things that others want for me

Can't buy what I want because it's free... (2x)

Can't be what you want because I'm...

I ain't s'posed to be just fun

Oh, to live and die, let it be done

I figure I'll be damned

All alone like I began...

It's your move now...

I thought you were a friend,

but I guess I, I guess I hate you
