Driftin

Driftin away

I got myself a mansion

And I gave it away

It's not the world that's heavy

It's just the things that you say

But I'm driftin

Driftin away

Driftin

Driftin

Driftin along

I read myself the worries

And the worries were gone

I can run when I want to

And I sleep like a dog

I'm just driftin

Driftin along

The suit-coats say

There is money to be made

They get so damn excited

But I guess it's their way

My road it may be lonely
Just because it's not paved
It's good for driftin
Driftin away
Aw the suit-coats say
There is money to be made
They get so damn excited
Nothing gets in their way
My road it may be lonely
Just because it's not paved
It's good for driftin
Driftin away
Driftin
Driftin
Driftin uh-huh
I feel like going back there
But never for long
I sometimes wonder if they know that I'm gone
I'm just driftin
Driftin along
Driftin
Driftin along
Driftin
Driftin
