Yeah

Freezing rests his head on a pillow made of concrete
again

Oh Feeling maybe he'll see a little better set a days ah
yeah

Oh hand out faces that he sees time again ain't that
familiar ooh

Oh dark grin he can't help when he's happy looks
insane yeah

Even flow thoughts arrive like butterflies yeah

Oh he don't know so he chases them away Oohh

Ah someday yet he'll begin his life again

Life again life again

Kneeling looking through the paper though he doesn't
know to read aah yeah

Oh praying now to something that has never showed
him anything nothin'

Oh feeling understands the weather of the winters on
its way yea oh

Oh ceilings few and far between all the legal halls of
shame yeah

Even flow thoughts arrive like butterflies yeah

Oh he don't know, so he chases them away ooh

Oh someday yet he'll begin his life again yeah

Oh whispering hands gently lead him away

Lead him away him away yea yea

Yeah

Woo ah-huh yea yea yea fuck it up man

Even flow thoughts arrive like butterflies yeah ooh

Oh he don't know so he chases them away ooh

Ohh someday yet he'll begin his life again yeah

Oh whispering hands gently lead him away

Lead him away him away way way

Yeah

Woo uh huh yeah yeah we fuck it up again

Ha

Wooo
