various dates)

Something to remember me by

Something freezing your hand

Something so you feel all grown up when you call my
name

Oh, I'm falling down...

Oh, I'm falling...

I don't know when I'll be up

When I call, please remember

Frozen like stone, yeah

He's only flesh and blood

I'll be gone, yeah...

Just a memory passing like pages in a book

I'm falling down...

I'm falling... (2x)

I don't know if I'll get up

You're a boy... (3x)

I know why you're here

Can't guess your side

Oh no, the cry of a newborn child

Can't feel the heat

Of something fresh

Can somebody hide me

I cannot hold on... (2x)

I cannot hold on, child
