Don't even think about reachin' me, I won't be home

Don't even think about stoppin' by, don't think of me at
all

I did, what I had to do, if there was a reason, it was
you...

Aah...don't even think about gettin' inside

Voices in me head...ooh, voices

I got scratches, all over my arms

One for each day, since I fell apart

I did...oh, what I had to do, if there was a reason, it was
you

Footsteps in the hall, it was you, you...oh...

Pictures on my chest, it was you, it was you...

Hey...I did, what I had to do...oh, and if there was a
reason

Oh, there wasn't no reason, no

And if, there's something you'd like to do

Just let me continue, to blame you

Footsteps in the hall, it was you, you...oh...

Pictures on my chest, it was you, you...oh
