She don't wander in...don't wander in here, she...

She don't wander in here...don't wander in here...

The direction of the eye, so misleading

The defection of the soul, nauseously quick

I don't question, our existence

I just question, our modern needs

She don't wander in...don't wander in here, she...

She don't wander in here...

I will walk...with my hands bound

I will walk...with my face blood

I will walk...with my shadow flag

Into your garden, garden of stone...yeah...

After all is done, and we're still alone

I won't be taken, yet I'll go...with my hands bound

I will walk...with my face blood

I will walk...with my shadow flag

Into your garden, garden of stone

I don't show...I don't share...

I don't need, yeah...What you have to give...

Oooh, I will walk...with my hands bound

I will walk...with my face blood

I will walk...with my shadow flag

Into your garden, garden...oh...

I will walk with my hands bound

I will walk into your garden, garden of stone...

I don't know...I don't care

I don't need, yeah...need to live...yeah, yeah, yeah, oh...

Uh huh huh... (8x
