Got a gun fact I got two

That's O.K. man cuz I love god

Glorified version of a pellet gun

Feels so manly when armed

Glorified version of a pellet gun

Double think dumb is strength

Never shot at a living thing

Glorified version of a pellet gun

Feels so manly when armed

Glorified version of a pellet gun

Glorified version of a...

Always keep it loaded

Kindred to be an American...

Life comes...I can feel your heart...

Ooh...life comes...I can feel your heart through your neck...

Life comes...I can feel your heart through your neck...

Life comes...I can steal your heart form your neck...

Glorified...glorified
