"Hail Hail"

Ah, is there room for both of us? Both of us apart?

Are we bound out of obligation? Is that all we've got?

I get the words and then I get to thinking.

I don't want to think, I want to feel.

And how do I feel? And how do I...

If you're the only one will I never be enough? Yeah.

Hail hail the lucky ones. I refer to those in love. Yeah.

Oh, how I'll love you til the day I die and beyond.

Are we going to the same place? If so can I come?

It's egg rolling thick and heavy. All the past you carry.

Oh, I could be new. You underestimate me.

If you're the only one will I never be enough? Yeah.

Hail hail the lucky ones. I refer to those in love. Yeah.

I sometimes realize I could only be as good as you'll let me.

Are you woman enough to be my man? Bandaged hand in hand.

I find it on the run in a race that can't be won. Yeah.

All hail the lucky ones. I refer to those in love. Yeah.

If you're my only one, so could you only one?

I want to be your one. Enough! You won no one. You're one
