History never repeats
I tell myself before I go to sleep
Don't say the words you might regret
I lost before, you know I can't forget
There was a girl I used to know
She dealt my love a savage blow
I was so young, too blind to see
But anyway, that's history
And I say, history never repeats
I tell myself before I go to sleep
And there's a light shining in the dark
Leading me on towards a change of heart
You say I always play the fool
I can't go on if that's the rule
Better to jump than hesitate
I need a change and I can't wait
I say, history never repeats
I tell myself before I go to sleep
And there's a light shining in the dark
Leading me on towards a change of heart
Never repeats, whoa, oh

History never repeats (x2)

Deep in the night it's all so clear

I lie awake with great ideas

Looking about in no man's land

I think at last I understand

History never repeats

I tell myself before I go to sleep

And there's a light shining in the dark

Leading me on towards a change of heart

Ahhh
