All in all,â€™ its no ones fault,â€™.
excuses turn to carbon wall,â€™
blame it all on chemical intercourse.
the swallowed seeds of arrogance,â€™
breeding in the thoughts of ten,â€™.
thousand fools who fight irrelevance.
the full moon is dead skin,â€™
the one down heres wearing thin,â€™
so set up,... the ten pins.
as the human tide rolls in,â€™.
like a ball that's spinning.
Bombs ,â€™. dropping down,â€™..
overhead,â€™.. underground,â€™.
its instilled,â€™ to wanna live.
Bombs ,â€™. dropping down,â€™..
please forgive,â€™. our hometown,â€™..
In our insignificance.
Turn the jukebox up, he said,â€™
Dancing in irreverance,â€™.
Play V3,â€™. let the song protest.
The plates begin to shift,â€™.

perfect lefts come rolling in,â€
I was alone,â€ and far away,â€
when I heard the band start playing,â€
on the lip,â€ late take off.
Bombs ,â€. dropping down,â€..
Feel like resonance of distance,â€
In the blood,.. the iron lies.
Its instilled,â€. to wanna live
