Troubled souls unite, we got ourselves tonight

I am fuel, you are friends, we got the means to make  
amends

I am lost, I'm no guide, but I'm by your side

I am right by your side

Young lover I stand

It was their idea, I proved to be a man

Take my fucking hand

It was their idea, I proved to be a man

Will myself to find a home, a home within myself

We will find a way, we will find our place

Drop the leash, drop the leash...

Get outta' my fuckin' face

Drop the leash, we are young

Oh, get outta' my fuckin' face...

Drop the leash, drop the leash...

Get outta' my, my...

Delight, delight, delight in our youth...oww...

Get outta' my fuckin' face
