Pete Townshend) (various dates)

The people keep repeatin'

The children follow along

Everybody keeps from changin'

And you could say you did enough...

Let my love open your door... (3x)

To your heart...

Let my love open the door (2x)

When everything feels all over

Everybody seems unkind

I'll give you a four-leaf clover

Take all worries out of your mind

Let my love open your door... (3x)

To your heart...

Let my love open the door...

To your heart...

Let my love open the door...

Have the only key to your heart...

I can stop you from fallin' apart

Tried to say in my own way...

Somebody give me the chance to say...

Let my love open your door...

It's all I'm lookin' for

And erase yourself from misery

There's only one thing that's gonna set you free...

When trouble really falls you...

Don't let it tie you down

Love can cure your problems

You're so lucky I'm around

Let my love open your door... (3x)

To your heart...

Let my love open the door...

To your heart...

Let my love open the door... (5x)

Oh...to your heart...

Oh...baby, I know I said, I said, I said, I said, I said, I said...  
said...

...I said, I said, I said, I said, I said, I said...

Oh...na na na...let my love open the door...

Let my love... (2x)
