Eddie Vedder with The Doors)

You know that I won't be untrue

You know that I won't be a liar

If I were to say to you, girl we couldn't get much higher...

Come on, baby, light my fire... (2x)

Try to set the night on fire...

The time to hesitate is through

No time to wallow in th mire

Try now, we could only lose

And our love become a funeral pyre

Come on, baby, light my fire... (2x)

Try to set the night on fire...

Yeah, yeah, yeah, yeah... (4x)

Yeah...

The time to hesitate is through

No time to wallow in the mire

Try now we could only lose

And our love become a funeral parlor

Come on, baby, light my fire... (2x)

Try to set the night on fire...yeah...

You know that I would be untrue

You know that I would be a liar

If I were to say to you, girl we couldn't get much
higher...yeah...

Come on, baby, light my fire... (2x)

Try to set the night on fire... (4x)
