Lyrics/Music - J. Ament)

Clouds roll by

Healing is what they say

Or is it just my way

Wind goes by, lowlight

Side-tracked, lowlight

Can't see my tracks,

yours sit way back

Can I be here all alone?

Clear a path to my home

Blood runs dry

Books and jealousy tell me wrong

I will feel calm

Voice blows by, lowlight

Car crash, lowlight

Can't wear my mask, your first, my last

Voice goes by

Two birds is what they'll see

Getting lost upon their way

Wind rolls by, lowlight

Eyesight, lowlight

I need the light

I'll find my way from wrong, what's real

The dream I see
