And out isn't perfect

My friends I'll say it too

Stay my case of which I'm certain

I've lived a life as full

I've traveled each and every highway

Oh and more as more gets

I did it my way

Regrets I've had a few

But they're too few to mention

I did what I had

It's all through without exemption

I play each charted course

I've traveled each and every byway

And more much more than this

I did it my way

Well twice I'm sure you knew

When I bit off more than I could chew

I knew it all without a doubt

I ate it up and I had to spit it out

I passed it on and I stood tall

And I did it my way
