Frank Sinatra) (Las Vegas, Nevada, 11/30/93)

And out isn't perfect
My friends, I'll say it too
Stay my case, of which I'm certain
I've lived a life as full
I've traveled each and every highway
Oh, and more, as more gets...
I did it my way

Regrets, I've had a few
But they're too few to mention
I did what I had
It's all through without exemption
I play each charted course
I've traveled each and every byway
And more, much more than this...
I did it my way...

Well twice, I'm sure you knew
When I bit off more than I could chew
I knew it all, without a doubt
I ate it up and I had to spit it out
I passed it on, and I stood tall
And I did it my way
