Once upon a time  
Yea ooh  
I admit it what's to say watch it  
I'll relive it without pain yea I won't feel nothing  
Backstreet lover on the side of the road  
I got a bomb in my temple that is gonna explode  
I got a sixteen gauge buried under my clothes I play  
Once upon a time I could lose myself  
Ooh once upon a time I could control myself yeah yeah  
yeah  
Oh try and mimic what's insane yeah ooh woa  
I am in it where do I stand stand stand woa  
Indian summer and I hate the heat  
I got a backstreet lover on the passenger seat  
I got my hand in my pocket I pray  
Once upon a time I could lose myself  
Ooh once upon a time I could control myself yeah yeah  
yeah  
Yea ahh  
I got nothing to say except I love you forever and I'll kill  
ya  
Ooh once upon a time I could control myself yeah  
Once upon a time I could lose myself yeah yeah yeah  
yeah yeah  
Once upon a time I could love myself yeah  
Once upon a time I could love you yeah yeah yeah  
Once (x4)  
Once once yeah yeah  
Yeah (x7)  
Oww
