what the fuck is this world? Running to
your dead end leave a message
at least i cuddle in your voice one last time.
daily minefield
this could be my time
by your
would you hit me?
would you hit me?.....ohhhhhhhh oh oh

all the bills go by
and initiatives are taken up
by the middle
there ain't gonna be any middle any more
and the cross i'm bearing home
ain't indicative of my place
left the porch
left the porch.....ohhhhh oh

hear my name
take a good look
this could be the day
hold my hand
walk beside me
i just need to say...
hear my name
take a good look
this could be the day
hold my hand
lie beside me
i just need to say
what can i take?
just one more day
i know that i would not ever touch you
hold you
feel you
ever hold.....
never again never again hey hey yeah
