A-they don't eat don't sleep
They don't feed they don't seethe
Bare their gums a-when they moan and squeak
Lick the dirt off a larger one's feet
They don't push don't crowd
Congregate until they're much too loud
Fuck to procreate till they are dead
Line their holes with the dead ones bread
They don't scurry when something bigger comes their way
Don't pack themselves together and run as one
Don't shit where they're not supposed to
Don't take what's not theirs they don't compare
They don't scam don't fight
Don't oppress an equals given rights
Starve the poor so they can be well fed
Line their holes with the dead ones bread
They don't scurry when something bigger comes their way
Don't pack themselves together and run as one
Don't shit where they're not supposed to
Don't take what's not theirs they don't compare
They don't scurry when something bigger comes their way
Don't pack themselves together and run as one
Don't shit where they're not supposed to
Don't take what's not theirs they don't compare
They don't compare (x2)
Woh
Ben the two of us need look no more
Ben the two of us need look no more yea
Michael Jackson was innocent
Ben the two of us need look no more
26 years of this asshole
Ben the two of us need look no more more more yea
Ben the two of us need look no more
Oh nothing changes
Torture then reward (x3)
Follows torture follows reward
I'd stop and talk but I'm already already already in
love love love love love
