Oh...

State of love and trust as I busted down the pretext
Sin still plays and preaches, but to have an empty
court, uh huh

And the signs are passin', grip the wheel, can't read it
Sacrifice receiving the smell that's on my
hands...hands...yeah

And I listen for the voice inside my head

Nothin', I'll do this one myself

Lay her down as priest does, should the Lord be a
countin'

Will be in my honor, make it pain, painfully quick, uh
huh

Promises are whispered in the age of darkness
Want to be enlightened like I want to be told the end,
end, yeah...

And the barrel shakes, and, a-directly at my head

Oh, help me, help me from myself

And I listen, from both sides of a friend

Nothin', I'll do this one myself

Uh huh, huh, oh...

Myself...myself...

Yeah, yeah...

Hey, na, na, na, na, hey, that's something (3x)

Wanna back, back it away, yeah, huh, uh

And I listen, oh, for the voice inside my head.

Nothin', I'll do this one myself

Oh, ah, and the barrel waits, trigger shakes, aimed
right at my head

Won't you help me, help me from myself

Hmm...State of love and trust, and a...

State of love and trust, and a... (2x)

State of love and...yeah
