"Wash"

Oh please let it rain today. This city's so filthy. Like my
mind in ways.

Oh, was the time. Like a clean new taste.

Smiling eyes before me and tears from my face.

Wash my love. Wash my love. Wash my love, yeah.

Sin for sale. Buying just a need. Just who planted all the
devils seeds?

And what's the truth? And the truth that lies at home.

It's on the inside and I can't get it off. Yeah.

Wash my love. Wash my love. Wash my love, yeah.

What's clean is pure. But hey, I'm white on the outside.
Though I stray.

What she don't know today might kill us both tomorrow.

Bring it back someday.

Bring it back, bring it back. Back to, to the clean form.

To the pure form.

Wash my love. (x8)
